

... days since the end of the
... when Lewis Matterhorn was
... to his workplace at London
... nuclear institute.

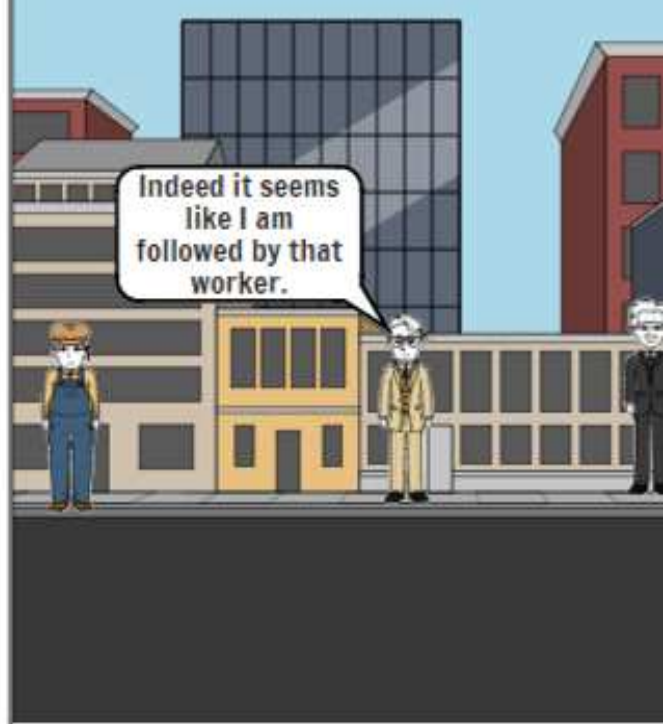

Suddenly he felt strange feeling like he was being watched.

What the hell?

Indeed it seems like I am followed by that worker.

I will try to lure him into sewers where I will try to get rid of him.

After 30 minutes of walking he had finally reached the sewers where he had planned to end it once and for all.

You are the one who should surrender.

Hands up! Or I will shoot without hesitation.
